Salon Information

Please read carefully

Models understand that they are in a 'Learning Environment'; treatments may take longer than planned and the authority of the lecturer in charge of the class must be recognised.

Whilst every effort is made to meet client requirements, in some cases the process may be carried out to the satisfaction of the lecturer not the model.

Every precaution is taken to reduce the risk of allergic reactions with products used in the hairdressing and beauty departments.

All hair and beauty treatments are carried out at the model's own risk.

Please note a skin test is required 24/48 hours BEFORE each scalp colour. If a skin test is not performed then you may be refused treatment.

Please book your skin test before booking your appointment.

All clients who require any colouring treatment must be over 16 years of age.

Please Note:
All clients aged 16 and below must bring a parent/guardian along to their treatment.
