Level 2

Carpentry and Joinery Apprenticeship

Summary

Carpenters and joiners utilise their specialist skills and techniques to produce structures, studwork, doors, kitchens, roofing, windows and door frames etc. A career in carpentry and joinery will suit an individual who would like to combine both their work with their hands and their mathematical skills in order to make calculations and accurately study drawings. At Riverside College, we offer the site carpentry pathway: apprentices will be based on-site installing items like doors, studwork etc.

Entry Criteria

We would expect apprentices to have achieved 4 GCSEs including Maths and English at grade 3/D.

Attendance

Apprentices will attend college one day a week (during term-time only) at our Riverside College campus.

Duration

24 months + EPA

What will I learn?

On the level 2 Carpentry and Joinery apprenticeship, you will gain the necessary knowledge, skills and behaviours to become a proficient junior site carpenter/joiner. Training will include how to:

- Carry out a range of job tasks including measuring, marking out, fitting, cutting, splicing, finishing, positioning and securing.
- Work safely and be aware of key health, safety and welfare issues.
- Install door and window frames, door and hatch linings, floor joist coverings, straight partitions and straight staircases.
- Install doors, ironmongery, service encasements, wall and floor units and fittings, cladding and staircase components.
- Erect inclined roofs with gables, joists, roof coverings and roof components.
- Repair or replace frames, mouldings, doors, windows, door and window ironmongery, roofing components, guttering and downpipes and window components.
- Use, maintain and store hand tools, power tools and associated equipment
