# Level 2

# Hair Professional

# Apprenticeship

## Summary

As an apprentice in this exciting, dynamic industry, you will learn all the modern hairdressing skills; from completing the perfect client consultation, cutting and styling, setting and dressing different hair types. You will also cover various colouring techniques including toning, lightening and colour correction. Alongside your practical work you will gain the essential knowledge and understanding that will make you an all-round successful hairdresser.

There are further skills you will develop on your apprenticeship journey, which are essential for your progression and career development. You will learn how to manage your time effectively and develop management and leadership skills which will make you an asset to any salon.
