## Summary

The Level 4 Assessor Coach apprenticeship has been curated to provide apprentices with the necessary training to assess both vocational qualifications (NVQs) and formalised work-based education and training. Apprentices will also be trained in coaching skills, which often involve complex communication techniques to actively listen, provide feedback and to engage learners in planning their individualised learning programme. Assessor coaches work co-operatively with other education professionals in supporting the learner's development of vocational competence.

## Entry Criteria

- A qualification and relevant up-to-date experience in the candidate's vocational/subject specialism.
- Apprentices may have achieved Maths, English and ICT skills at Level 2 prior to commencing their training. Those that have not must achieve this prior to completion.

## Attendance

This apprenticeship is delivered to individual employers as a bespoke group training programme.

## Duration

15 months + EPA

## What will I learn?

On the Level 4 Assessor Coach apprenticeship, apprentices will gain essential knowledge, skills and behaviours. While on programme, 20% of your time will be spent completing 'off the job' training, which will include:

- Principles and practice of coaching/assessment
- Assessment form, types and methods
- How to plan, reflect on and evaluate effective coaching and assessment.
- Effective communication skills
- Feedback practices for progress
- Identifying/meeting individual learning needs.
- Promotion of equality and diversity to ensure learning is inclusive.
- How to agree individual programmes that challenge learners to achieve
- Strategies for inspiring learners, increasing their resilience, and in raising concerns.
- Safe/effective use of digital technologies.
- Current and emerging technologies that could safely/effectively support learner
- Safeguarding, British Values and Prevent.
- Reflective practice and its benefits.
